Directions:

From I-95 South: Take exit 8, and turn left at the end of the ramp onto Elm Street. Continue straight approximately .9 miles. The road will curve to the right, and you will pass (on left) a large church, then a Grade A supermarket, and then a park. Elm Street becomes Shippan Avenue at a light just after the church. Shippan Avenue turns left at a traffic light just after the park. Follow it approximately 1.5 miles from that point almost to the end. Take the last right turn onto Ocean Drive West. The Goodings' home is approximately ¼ mile down on the right. It's a french grey stucco house. All are welcome to drop off at front door, but please park on the street.

From I-95 North: Take exit 8, and continue straight off the exit ramp. Take the second right, which is Canal Street. Go under the railroad tracks, and take the first left onto Jefferson Street. Turn right at the light (after about .3 miles) onto Magee Avenue. After almost .6 miles, you will come to a light. Continue straight onto Shippan Avenue. Follow Shippan Ave. approximately 1.5 miles almost to the end. Take your last right turn onto Ocean Drive West. The Goodings' home is approximately ¼ mile on the right. It's a french grey stucco house. All are welcome to drop off at front door, but please park on the street.
